- 7/ Club activities and morning coffee can proceed by following rulings!

### **Notes:**

There are no plans to hold the Pancake Breakfasts or inter-club activities or social club gatherings until the board is satisfied that it is safe to do so. Facility renters will be fully responsible for their function's agenda by following AHS guide on gatherings

### **Final Comments**

If we all work together following the mandatory and suggested rules it will give our club a better chance to keep the doors open for the enjoyment of seniors in Brazeau County and Drayton Valley. As a final request to all members with common sense, if there are individuals that are uncooperative or belligerent regarding the above rules, please ask them politely to be considerate and follow the guidelines. If this is unsuccessful, report the person to the board to deal with the situation.

These rules, regulations and suggestions are not permanent and will be changed if necessary, to accommodate any future AHS recommendations. The DV 55 Plus board may make changes to any procedures that they deem important for the continuing operation of the club.
